Financial Conflict Of Interest Training
Financial Conflict of Interest

Temple University requires a Financial Conflict of Interest disclosure to be completed for all external funding.

You **MUST** take the training **before** you complete the FCOI disclosure.

To access the training module, you will need to log into TUPortal and click on the Blackboard link under TUApplications on left side menu.

Once in Blackboard, you need to check to see if you have “Course Catalog” on your home page.
If you do not see “Course Catalog”, you will need to click on “Module” in the upper left corner to add it to your home page.

You will scroll down the page and find “Course Catalog” and click on the “Add” button.

Scroll down to the bottom of the page and on the lower right corner of the page click on “OK”.
When you return to the Blackboard home page you will see “Course Catalog”. Click on “Browse Course Catalog”.

In the Search Catalog field, enter “Conflict of Interest” and then click “Go” on the right.

The search should populate the Course below.

Move your mouse cursor over the Course ID and this icon will appear. Click on the icon.
A drop down menu will appear and you will click on “Enroll”.

On the next screen you will click the “Submit” button to proceed.

The next screen will verify that you are successfully enrolled and you will click “Ok” on the lower right corner of the screen. The program will take you directly to the training module.
